Chapter 1:why me?

sitting in the back of a police car with my white and red allstars the cap i got from my dad before he died, and the jeans i would normally wear to work but jail works just the same. Ah why me an unexperinced home owner with no intinsions of robbing that old poor but strangely hot old lady and shooting her dead, why would that possibly get me arrested. lol but honestly who hasent robbed a hot old lady right? I kind of liked it when that lady cop tazed me and sent about 300 voltz out my ass. Pretty darn good. Kindov felt like the darn energizer bunny. ooh rabbit that sounds good heh. well honestly the cops coudve been a lot nicer when they put on the handcuffs cause now my hands are black and blue and well just about all the other colors roy g biv could think of.But then again that leads us to our original question, why me? no clue.
